

# U3A RAMBLING GROUP

*Solvitur Ambulando*

It can be solved by walking - attributed to St Francis of Assisi

**Thursday 24<sup>th</sup> April**

**9.45 am** Meet at Bentworth Church GU34 5RE what3words conforms.thinks.gathers. There is some limited parking at the church which also serves the recreation ground next door. Car sharing would be advantageous.

**10.00 am** Set off on a walk of about 5.5 miles. This is a beautiful route with an abundance of spring flowers. From Bentworth the route goes via Holt End to Gaston Wood where it is hoped the bluebells will be at their best. From there, the walk goes across to The Yew Tree at Lower Wield before taking several paths back to Bentworth.

It is always important to carry water or other appropriate liquid refreshment.  
and a hand sanitizer is recommended

**1.00 pm** Approx time of return to our starting point.
