## Big Ideas for Small Spaces (Martyn Cox)

I'm an author of 11 gardening books, former gardening columnist with the Mail on Sunday (for 17 years), winner of garden writer of the year (twice), expert on BBC Radio Solent's Grow it, gardening presenter on QVC shopping channel and a hands on gardener, running my own gardening business from Southsea. People can follow me on Instagram @gardenwithmartyn. My talk, Big Ideas for Small Spaces, is to help gardeners make the most of every nook and cranny in their gardens.
