

WOULD YOU LIKE NEW WEEKEND ALTONU3A GROUPS?

As you know, we are starting to plan the 2026/27 programme, and we are always looking to increase the number of groups to keep pace with our burgeoning membership numbers. It has been suggested that we could offer more groups at the weekends, and a number of suggestions have already been made.

For example:

1. A monthly Sunday Murder-Mystery Book-group (but no Richard Osman!)
2. A termly Literary Talk & Tea by local author Louise Morrish (on either Saturdays or Sunday afternoons);
3. A monthly Sunday afternoon Craft & Chat group (where members bring along their own work, but might also be willing to offer short demonstrations); and
4. A monthly "Weekend Wanderlust" Talk & Tea, where members present their travel pictures and describe the experience eg. My Two Weeks in Antarctica!

Before we commit further, it would be helpful to know how many of you would be interested? Would you:

1. Attend one or more of those groups?
2. Support them by becoming one of the Coordinators and/or Speakers?
3. Have other ideas for new weekend groups?
