Titanic – a night of ice” • What did the ship builders claim Titanic to be? • Why did John Coffey leave the ship at Queenstown? • Why was John Jacob Astor IV the subject of a scandal in the U.S.? • Why did Michel Navratil sail under an assumed name? • Who were the “Titanic Orphans”? • Who was Henry Morley accompanying whilst his wife was in the U.K. • Why did the Californian captain ignore the distress rockets? • Which ship went to the rescue?
